

Biblical Setting

Probably the greatest asset of TBS is its direct affiliation with Trinity Baptist Church as well as Bible Based Churches in the area. This allows students to be taught in a setting that is intensely biblical since every aspect of the education is taught from a Christian worldview. Teachers use the core subjects to teach Christian principles that prepare the students to live like Christians now and in the future. Trinity Baptist School is committed to the local church and encourages young people to use their God-given talents and gifts to minister in a local church. Nowhere else in the Fond du Lac Area is there a school with such an intensely local church focus preparing students for God's work in God's house.

A Word from a Teacher:

"Teaching is a venue for giving back what I have been given. When I think of all the people that have poured into my life I am in awe. I do not want to be the roof of the building. I want to be the foundation (Isaiah 58:12 You shall raise up the foundations of many generations;), so I teach."

In addition to the core subject, Trinity Baptist School offers Bible, choir, physical education, computer training, and electives that include foreign languages.

Alumni Statement:

“I love the firm, biblical foundation I received that has been able to develop and last a lifetime because of the personal and academic preparations I received at TBS. I love the lasting friendships and investment made in me by the administration and staff at TBS/TBC. But most, I love the impact for the Kingdom of God that the school continues to have, not only in Fond du Lac County, but across the United States with its graduates.”

Student Preparation

Trinity offers a variety of different ways for students to prepare for the future. Athletics is a great medium for students to learn the character and humility needed in pressure situations. Our Coaching Staff and Teaching Staff has a wealth of knowledge and experience to help instruct our students in a way that maximizes these opportunities. It is a blessing to teach, instruct, and coach in controlled situations to let God work in the hearts of our young people.
